The image shows a technical drawing on a grid. A large rectangle is defined by a grid of 10 columns and 10 rows. A diagonal line runs from the top-left corner of this grid to the bottom-right corner. A smaller rectangle is nested within the top-left portion of the large grid, with a width of 3 columns and a height of 6 rows. This smaller rectangle also contains a diagonal line from its top-left to its bottom-right corner. The overall drawing is enclosed in a larger frame with a vertical line on the left and a horizontal line at the bottom.
